

I Got Doubts – Spring Gang - Back Translation - Que dudas hay

Always looking for the best for you
without you caring
that I've spent so much time in this place
worse than loneliness
because you didn't look deeper into me
the good in me
what doubts are there?

I know very well what it means to risk
so much for you
trying to be happy right by your side
but you didn't look deeper into me
the good in
what doubts are there?

Uh, it doesn't surprise me to see you as a stranger
and yet I still keep your photo in a drawer
right next to the message where you told me
«There is nothing left between us anymore»

It sounds so strange this way what doubts are there?
just as strange as feeling nothing at all what doubts are there?

The sins to be atoned for
will always remain this way
there is nothing left to confess
it's not my fault
that you didn't look deeper into me
nor into yourself
what doubts are there?

Nothing is certain in any relationship
we were no exception
you survived your own decision
with more than a few drinks
because you didn't see the brokenness within you
and you never will
what doubts are there?

Uh, it doesn't surprise me to see you with just anyone
and yet you still keep my photo on your Wow Phone
right next to the message where you told me
«There will be no one else like you»

It sounds so strange this way
what doubts are there?
Just as strange as feeling nothing at all
what doubts are there?
I know it's hard to bring it all to an end
what doubts are there?
And that's how we loved each other.
Hell yeah! what doubts are there?
